Calling all bike riders young and old, fast and slow!
And anyone who would like to ride if it felt safer

Elections to Nottinghamshire County Council take place soon.

Join us on disorganised a ride to County Hall calling for transport spending towards a cycling friendly road environment

The route will take us to Beeston with a rest-stop at Lakeside before heading out to West Bridgford and to Picnic on the embankment
Food and coffee vendors will be along and bring your own too.

Space for Cycling means having the conditions where *anyone* can cycle *anywhere*.
