**Address:** [162 Musters Road West Bridgford Nottingham](#)

## Comments Details

**Commenter Type:** Other Body  
**Stance:** Customer objects to the Planning Application  
**Reasons for comment:**  
**Comments:** We strongly support the proposed cycleway provided that the route is clearly signed, including cycle direction signs. This route will be of particular value to cyclists riding to and from Rushcliffe School, encouraging healthy and sustainable travel, particularly if connected as a continuous safe and attractive route through the new housing in the Sharp Hill area to and from the upgraded subway under the A52, with further potential connections via quiet roads to and from Ruddington and Rushcliffe Country Park.

We very much hope that it will also be possible in due course to continue this path under Boundary Road (by excavating the old underfilled bridge) to continue via the Green Line towards West Bridgford town centre.
