## Comments Details

**Commenter Type:** Other Council  
**Stance:** Customer made comments neither objecting to or supporting the Planning Application  
**Reasons for comment:**  
**Comments:** Whilst the proposed fence up between the houses and the railway track may be necessary on safety grounds Pedals is keen to see that the bridge on the bottom right hand side is not blocked by this fence. We would like to emphasise the importance of making sure it is left as a route through to the golf course so that this can be made use of in future, to connect both to routes to the north, in the Beckside / Gamston area, and also to a possible improved connection for cyclists across the A52 Gamston-Lings Bar road between Edwalton and Tollerton, etc.
